Croydon Youth Service Resource Centre
Lanfranc Youth Wing
Mitcham Road
Croydon
CR9 3AS
Tel/fax: 020 8689 7360

Croydon Youth Service Resource Centre has a range of equipment that is available to local registered youth groups on short term loan to enable them to undertake activities that are usually beyond the scope of their own facilities. This brochure lists the equipment available, the costs involved and the booking arrangements; plus information about a number of other resources that are available through Croydon Youth Service and local youth organisations.

Further items are often added to the centre throughout the year. If you wish to book or discuss the use of equipment, please visit the centre, or suggest any items for further inclusion in the stock, please contact the Resource Centre Worker on 020 8689 7360.

Please ring to check availability and book equipment as soon as you know your requirements. Expedition equipment for Duke of Edinburgh's Award is very popular during expedition season (April – October) and early booking is advised. There is an out of hours answering and fax machine on the above telephone number. Alternatively, you may email your booking to;

Opening Times

Tuesday, Wednesday, Thursday 7pm – 9pm

Please call to check opening times as they may differ throughout the year and during the Winter period (November – March).

Hire Fees

All prices quoted are for one week, or part thereof, unless otherwise stated.

Deposits

Except where otherwise indicated, a £35 deposit is required per booking which is repayable upon the timely, complete and clean return of the equipment, or retained in part or in full to cover any repair or cleaning costs. Items damaged beyond repair or missing will be charged for at full replacement cost.

Location

The centre is based within the Archbishop Lanfranc School Campus, Mitcham Road, Croydon.

The Youth Wing drive entrance is directly adjacent to pedestrian lights, which is 100m nearer to Mitcham Common than the main Lanfranc School entrance which is further on. It is suggested that the school entrance is used if the youth wing drive entrance is closed.

The centre is at the top of the car park – opposite the canoe trailer. If coming from the school entrance, turn directly left at the front of the school to gain access to the second car park where the centre is located

Conditions of Hire

All equipment is the responsibility of the hirer who must retain responsibility even if equipment is passed to other individuals. Any equipment or parts of that are not returned will result in the deposit being withheld. The total cost of replacement (if it exceeds the deposit) will be owed by the hirer to the resource centre. Equipment will be returned in whole with all their parts. All equipment will be returned clean, dry and ready to be used by others.
